

# Event Management

## 1) Login

<http://127.0.0.1:8001/login>

Login : [arjun.anandsr@gmail.com](mailto:arjun.anandsr@gmail.com) / 123456

The screenshot shows a web application interface with a light blue header bar containing the links "Login", "Register", "Events", and "Events Status". The main content area is white and features a centered "Login" form. The form has a title "Login" in a grey box, followed by two input fields labeled "Email" and "Password", and a dark grey "Signin" button at the bottom.

## 2) Register

<http://127.0.0.1:8001/registration>

The screenshot shows a web application interface with a light blue header bar containing the links "Login", "Register", "Events", and "Events Status". The main content area is white and features a centered "Register User" form. The form has a title "Register User" in a grey box, followed by input fields for "First Name", "Last Name", and "DOB", radio buttons for "Male", "Female", and "Not Specified", and input fields for "Email" and "Password". A dark grey "Sign up" button is at the bottom.
